DECISION

Reserved In Case of Sergt. Frank Buddell.

WITNESSES EXAMINED BY THE BOARD OF SAFETY.

REPORTS OF ALLEGED VIOLATION OF SUNDAY LAW.

LICENSE BOARD MEETS TO-DAY

Sergt. Frank Buddell, of the Fifth police district, was before the Board of Public Safety yesterday morning to answer charges preferred by Maj. Patrick Ridge, acting Chief of Police, to the effect that he had refused to accompany a patrolman to the saloon of Frank Goss at Shelby and Oak streets, where it is alleged Goss was serving drinks to customers at 2:30 o'clock Sunday morning. Three witnesses, including Sergt. Buddell, were examined. Patrolman William Sigel testified that he had informed Sergt. Buddell that Goss was violating the Sunday-closing law, and requested the Sergeant to accompany him to the saloon. Sergt. Buddell is said to have told the patrolman to go to the station and get Corporal Hammond, as he was making his pet. Capt. Schneider, of the Fifth police district, was the other witness examined.

After hearing an explanation on the part of Sergt. Buddell, the Board of Public Safety took the case under advisement, and will pass on it later. It is said that there were extenuating circumstances in connection with the case, and that Sergt. Buddell probably will escape with a reprimand.

Three more cases of alleged violations of the Sunday-closing law were reported to Maj. Patrick Ridge, acting Chief of Police, yesterday. The alleged offenders are Thomas O'Mara, who conducted a saloon at Seventeenth and Rowan streets, reported by Patrolman Lotz; James Mellett, 2001 Portland avenue, reported by Patrolman McCue, and Isaac Evans, Fifteenth and Southgate streets, reported by Patrolman Rosenfield.

According to the police, Mellett is said to have sold beer to ten or twelve men about 10 o'clock Sunday morning. Patrolman McCue said he saw the men in Mellett's back yard, drinking beer out of a bucket. Mellett is said to have told the officer that he was treating his friends.

Patrolmen St. John and Rosenfield reported that they heard several men talking in Evans' saloon. The officers attempted to gain an entrance and found the doors locked.

COMMITTEE BEGINS WORK

Hearing Evidence In Harry I. Wood Investigation Case.

Councilmen Christen, Bennett and Fisher, composing the special committee appointed to investigate the report that Harry I. Wood & Co. was favored over other competing contractors in the matter of a contract for electric furnishings for illumination during Home-coming Week, met in executive session at the City Hall yesterday afternoon and began to probe. Only members of the Board of Public Works were summoned before the investigating committee, which did not complete its work yesterday. No report was made by the committee at the meeting of the General Council last night, and another session of the committee will be held within the next few days.

Those of the Board of Public Works who were examined by the committee yesterday afternoon were called upon to tell what they knew of the circumstances surrounding the awarding of the contract. The bill of Harry I. Wood & Co. amounted to \$5,140, and another competitor, it was reported, offered to do the work for half that amount.

Michael Seymour's Case.

Only one case—that of Michael Seymour, who conducts a saloon at 318 Jackson street—will be passed upon by the License Board at the meeting to be held in the Aldermen's chamber at the City Hall Friday afternoon at 2:30 o'clock. According to Maj. Patrick Ridge and members of the Board of Public Safety, similar charges against other saloon men who are alleged to have sold liquor on Sunday, looking toward a revocation of their saloon licenses, have been filed with the License Board, but as yet no time has been set for hearing these cases.

More New Hydrants.

Lettings for fifty-six new hydrants, to be distributed at points throughout the city, were prepared yesterday by the Board of Public Works. Bids for furnishing the hydrants and setting them in position will be opened July 15.

FIRST BAND COMING TO JOCKEY CLUB PARK.

Next Sunday Will Mark the Beginning of the Concert Season at That Resort.

Jockey Club Park's season of summer concerts will be opened on Sunday next by Gargallo's Concert Band. This will be a welcome announcement to amusement seekers of Louisville, for liberal patronage and patronage of the most representative type has always been given to this resort. The Gargallo band has been heard in numerous places in the United States and, without exception, has received the highest endorsement. It is made up of specially picked musicians in Italy, and every member of the organization is said to be an artist.

SUCCUMBED TO TYPHOID FEVER.

Miss Christine Meschendorf Was Popular Young Woman of East End.

Miss Christine Meschendorf, aged twenty-seven years, died yesterday morning at her home at 1209 Vernon avenue, as a result of typhoid fever. Though not entirely unexpected, her death was sudden. For two weeks she was confined to her bed with typhoid fever, but she was on the road to recovery, when yesterday morning her heart failed her as a result of her weakened condition.

Miss Meschendorf was one of the most popular young women of the East End, and her death will occasion deep sorrow among a host of friends. She was the daughter of the late Henry Meschendorf and the step-daughter of Herman H. Meschendorf.

The funeral services will be held to-morrow afternoon at 3 o'clock at her home, and the interment will take place at Cave Hill cemetery.
